

VI. LIST OF PREPARERS

This document was prepared by the U.S. Army Corps of Engineers, U.S. Environmental Protection Agency, U.S. Office of Surface Mining, U.S. Fish and Wildlife Service, and West Virginia Department of Environmental Protection, with assistance from Gannett Fleming, Inc. The individuals listed below had principal roles in the preparation and content of this document. Many others had significant roles and contributions as well and their efforts were no less important to the development of this EIS. These others include senior managers, administrative support personnel, legal staff, and technical staff.

Steering Committee Members: performed programmatic review of EIS development

Katherine Trott, U.S. Army Corps of Engineers, Headquarters, Washington, D.C.

John Forren, U.S. Environmental Protection Agency, Office of Environmental Programs, Environmental Services Division, Philadelphia, PA

Michael Robinson, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

Russell Hunter, WV Department of Environmental Protection, Office of Mining and Reclamation, Nitro, WV

Cindy Tibbott, U.S. Fish and Wildlife Service, PA Field Office, State College, PA

Past Steering Committee Members

Rebecca Hanmer, U.S. Environmental Protection Agency, Water Protection Division, Philadelphia, PA

William Hoffman, U.S. Environmental Protection Agency, Office of Environmental Programs, Philadelphia PA

Charles Stark, U.S. Army Corps of Engineers, Headquarters, Washington, D.C.

David Densmore, U.S. Fish and Wildlife Service, PA Field Office, State College, PA

Charles Sturey, WV Department of Environmental Protection, Office of Mining and Reclamation, Nitro, WV

Assisted Steering Committee

David Hartos, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

Jeffrey Coker, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Knoxville, TN Field Office

VI. List of Preparers

Gregory Peck, U.S. Environmental Protection Agency, Office of Water, Washington, D.C.

David Rider, U.S. Environmental Protection Agency, Office of Environmental Programs, Philadelphia, PA

Elaine Suriano, U.S. Environmental Protection Agency, Office of Federal Activities, Washington, D.C.

David Vande Linde, WV Department of Environmental Protection, Office of Mining and Reclamation, Nitro, WV

James Townsend, U.S. Army Corps of Engineers, Regulatory Branch, Louisville, KY

Stream Restoration/Aquatic Ecosystem Enhancement Symposium

Gary Bryant, U.S. Environmental Protection Agency, Wheeling, WV

The Value of Headwater Streams: Results of a Workshop

Cindy Tibbott, U.S. Fish and Wildlife Service, State College, PA; team leader for the symposium

Streams Technical Studies

William Hoffman, U.S. Environmental Protection Agency, Philadelphia, PA; team leader

Jim Green and Maggie Passmore, U.S. Environmental Protection Agency Wheeling, WV (WV Macroinvertebrates)

Hoke S. Howard, Bobbi Berrang and Morris Flexner, U.S. Environmental Protection Agency and Greg Pond and Skip Call of the KY Division of Water (KY Macroinvertebrates)

Gary Bryant, U.S. Environmental Protection Agency, Wheeling, WV (Water Quality)

WV Benthic Survey

H. Vann Weaver, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA; team leader

Fred Kirchner, U.S. Army Corps of Engineers, Huntington District, Huntington, WV

David Rider, U.S. Environmental Protection Agency, Philadelphia, PA

Max Luehrs, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Columbus, OH Area Office

Dr. Ben Stout, Wheeling Jesuit University, Wheeling, WV

Streams Statistical Technical Study

Florence Fulk, U.S. Environmental Protection Agency, Office of Research & Development, Cincinnati, OH

VI. List of Preparers

Fisheries Technical Study

Cynthia Tibbott, U.S. Fish and Wildlife Service, State College, PA; team leader
Dr. Jay Stauffer and Dr. Paola Ferreri, Pennsylvania State University, State College, PA

Wetlands Technical Study

William Hoffman, U.S. Environmental Protection Agency, Philadelphia, PA; team leader
David Rider, U.S. Environmental Protection Agency, Philadelphia, PA
Peter Stokely, U.S. Environmental Protection Agency, Philadelphia, PA

Fill Hydrology Technical Study

James Eychaner, K.S. Paybins, T. Messinger, and J.B. Wiley, U.S. Geological Survey
Donald E. Stump Jr., U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

Terrestrial Habitats Technical Studies

Cynthia Tibbott, U.S. Fish and Wildlife Service, State College, PA; team leader
Dr. Steven Handel, Rutgers University Center for Restoration Ecology (Revegetation and Succession), NJ
Dr. John Sencindiver, West Virginia University (Soil Health and Organisms), Morgantown, WV
Dr. Petra Wood, West Virginia University (Bird, Small Mammal and Herptile Study), Morgantown, WV
Dr. Ron Canterbury, Concord College (Edge Habitats), WV

Fill Inventory and Chapter III.K.2-5

William Kovacic, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Lexington, KY Field Office; team leader
David E. Beam, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Lexington, KY Field Office
Tom Mastrorocco, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

Blasting Technical Studies

Blasting Dust and Fumes

Kenneth K. Eltschlager, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA; team leader

VI. List of Preparers

Dr. Lloyd English, Department of Mining Engineering, West Virginia University, Morgantown, WV

OSM Citizen Complaint Survey

Kenneth K. Eltschlager, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

OSM Research: Non-Traditional Structures

Kenneth K. Eltschlager, U.S. Office of Surface Mining, Program Support Division, Appalachian Regional Coordinating Center, Pittsburgh, PA; Contracting Officer's Technical Representative

Contractor: Amone-Martin Associates

OSM Research: Wells

Dennis Clark, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Knoxville, TN, Field Office; Contracting Officer's Technical Representative

Contractor: Daniel B. Stevens & Associates

Mining and Reclamation Technology Study

Charles E. Sandberg, U.S. Office of Surface Mining, Mid-Continent Regional Coordinating Center, Alton, IL

Michael J. Superfesky, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Morgantown, WV Area Office

Joe Ross, WV Department of Environmental Protection, Office of Mining and Reclamation, Nitro, WV

Barry Doss, AEI Resources, Charleston, WV

Erkan Esmer, Esmer & Associates, Boomer, WV

John Morgan, Morgan Worldwide Mining Consultants, Lexington, KY

Mining and Reclamation Technology Symposium

Kenneth K. Eltschlager, U.S. Office of Surface Mining, Program Support Division, Appalachian Regional Coordinating Center, Pittsburgh, PA; team leader

Jan Wachter and Heino Beckert, U.S. Department of Energy, National Energy Technology Center
Meikle & Fincham

Soil and Forest Productivity Review and Section III.B.4

William Kovacic, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Lexington, KY Field Office; team leader

VI. List of Preparers

Dr. Milton Allen, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

Patrick N. Angel, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, London, KY Area Office

Dr. J. Scott Boyce, U.S. Office of Surface Mining, Program Support, Washington, D.C.

Mike Vaughn, U.S. Office of Surface Mining, , Appalachian Regional Coordinating Center, Madisonville, KY Area Office

Fill Stability Technical Study and Section III.K.1.c

Peter Michael, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA; team leader

Joseph L. Blackburn, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Lexington, KY Field Office

Jim Elder, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Knoxville, TN Field Office

Steffan Koratich, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Columbus, OH Area Office

Staff Consultants

Michael J. Superfesky, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Morgantown, WV Area Office

David Lane, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Knoxville, TN Field Office

Danny Rahnema, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Knoxville, TN Field Office

Steve Cassel, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Lexington, KY, Field Office

Bill Arthur, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Lexington, KY, Field Office

The Extent of Potential Surface Mined Coal and Chapter III. O

Michael Robinson, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA; team leader

Nick Fedorko, WV Geologic & Economic Survey

Dr. Eric Westman, Virginia Polytechnic and State University, Blacksburg, VA

Dr. Jerry Weisenfluh, KY Geologic Survey

Tom Mastrorocco, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

Doug Brown, WV Department of Environmental Protection, (Island Creek & Spruce Creek Studies), Information Technology Office, Nitro, WV

VI. List of Preparers

Flooding Technical Studies and Chapter III.G

Donald E. Stump Jr., U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA; team leader

“Modeling Analysis of Potential Downstream Flooding as a Result of Valley Fills and Large Scale Surface Mining Operations in Appalachia”

Mark Zaitsoff, U.S. Army Corps of Engineers, Pittsburgh District, Pittsburgh, PA
Danny Rahnema, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Knoxville, TN Field Office, (SEDCAD Modeling)

“Comparison of Peak Discharges Among Sites With and Without Valley Fills for the July 8-9, 2001 Flood in the Headwaters of Clear Fork, Coal River Basin, Mountaintop Coal-Mining Region, Southern West Virginia”

Jeff Wiley, U.S. Geological Survey, Water Resources Division, WV District Office

“Comparison of Storm Response of Streams in Small, Unmined and Mountaintop Removal Mined Watersheds, 1999-2001, Ballard Fork, West Virginia”

Terence Messinger, U.S. Geological Survey, Water Resources Division, WV District Office

Land Use Assessment

Dr. C. Yuill, West Virginia University, Morgantown, WV

Biological Assessment

Barbara Okorn, U.S. Environmental Protection Agency, Office of Environmental Programs, Philadelphia, PA

Jim Serfis, U.S. Fish and Wildlife Service, Washington, DC

Economics Study Phase I and II

Michael Robinson, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA; co-team leader

David Hartos, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA; co-team leader

David VandeLinde, WV Department of Environmental Protection, Nitro, WV

John Morgan, Morgan Worldwide, Lexington, KY

Michael Castle, U.S. Environmental Protection Agency, Philadelphia, PA

VI. List of Preparers

Contractors' Leads:

Phase I: Dr. Jeff Kern, RTC Inc., State College, PA

Phase II: Lloyd Kelly, Hill & Assoc., Annapolis, MD

Phase III: Dr. Thomas Witt, West Virginia University, Morgantown, WV

Relationship of Mountaintop Mining to Groundwater Quality and Quantity

Workshop

Bob Evans, U.S. Office of Surface Mining, Program Support Division, Appalachian Regional Coordinating Center, Pittsburgh, PA

Jay Hawkins, U.S. Office of Surface Mining, Program Support Division, Appalachian Regional Coordinating Center, Pittsburgh, PA

Tom Galya, WV Department of Environmental Protection, Nitro, WV

Chapter III.H

Bill Winters, U.S. Office of Surface Mining, Program Support Division, Appalachian Regional Coordinating Center, Pittsburgh, PA

Chapter III.E

Eric Perry, U.S. Office of Surface Mining, Appalachian Regional Coordinating Center, Pittsburgh, PA

EIS Document Preparation, Gannett Fleming, Inc (GF) contributors

Richard Koch, AICP, GF NEPA and OFA Contract Program Manager

Jennifer Stump, GF Project Manager, Document Preparation

John (Drew) Ames, Document Preparation

Kevin Hoover, Geologic and Hydrogeologic Analysis, Mine Technology

Wilhelm (Chip) Kogelmann, GIS Analysis

Paula Loht, Health Risks of Airborne Dust and Fumes

Kathy Malarich, Economic Affected Environment,

Troy Truax, AICP, Demographic analysis, Environmental Justice, Quality of Life

Emily Olds, Aquatic Affected Environment, Aquatic Impact Analysis

Joseph J. Wilson, Terrestrial Affected Environment, Terrestrial Impact Analysis

Alexa Viets, Demographic Case Study Report

Kate Ziegenfuss, Community and Economic Affected Environment
